Irma United Church Celebrates 46th Anniversary

The Irma United church celebrated its 46th anniversary on November 25 and 26 with a church service on the Sunday afternoon and a big chicken supper on the Monday evening.

This was one of the most enjoyable anniversaries we have yet had. Thanks to the glorious weather, both the service and the supper were very well attended.

The Rev. W. D. McPherson of Wainwright was the guest speaker on both occasions and his addresses were timely and much enjoyed. On Sunday he took his text from Is. 51:1. "Look to the Rock from whence ye are hewn." Mr. McPherson reminded us of the place which the worship of God should hold in our lives. The three pillars on which our Christian civilization stands are God's House, God's Word and God's Day. If any one of these is removed it cannot stand. He warned us of the fatal consequences of letting our Christian Sunday be taken away, of letting dust gather on our Bibles or of neglecting to worship at the house of God. Worship strengthens us to act and this enriches and enlivens all of life around us.

On the Monday evening his words were for parents and youngfolk alike and he stressed the need of Christian unity and Christian principles in the home and community.

After the delicious chicken supper had been duly enjoyed by about 300 people, served by the W.A., the following program was given in the body of the church:

Chairman's remarks; two anthems by the choir; a musical trio by the three Sampson sisters; Mr. McPherson's address; piano solo by Lois Taylor, Laverne Larson and Lorraine Savard; an accordian solo by Wallace Dunbar; piano and accordian duet by Shirley Lovig and Eileen Angus; vocal solo by Eileen Oldham accompanied by Lois Taylor; vocal duet by Joyce Dootson and Carol Lovig accompanied by Shirley Lovig; vocal solo by Mrs. Archie Fleming accompanied by Mrs. Helen Whiddett; instrumental trio, Hugh Ingilis, trumpet; Ian Ingilis, clarinet; and Isabel Ingilis, piano.

Mr. Ingilis then showed a movie of the work of Dr. Darby who operates a United Church Mission boat and ministers to the physical and spiritual needs of the Indians on the B.C. coast. Mr. McPherson pronounced the Benediction.

Canada's first national park, an area of about 10 square miles around the hot mineral springs at Banff, Alberta, was created in 1885.

Weekly Inspirational Corner

(Sponsored by an Irma Times reader)

If ye then be risen with Christ, seek those things which are above, where Christ sitteth on the right hand of God.

Set your affection on things above, not on things on the earth.

For ye are dead, and your life is hid with Christ in God.

When Christ, who is our life, shall appear, then shall ye also appear with Him in Glory.

Mortify therefore your members which are upon the earth; fornication, uncleanness, inordinate affection, evil concupiscence, and covetousness, which is idolatry;

For which things sake the wrath of God cometh on the children of disobedience. Co. 3:1-6

PRESENTATION AT METROPOLITAN

Metropolitan school was the scene of a very pleasant occasion on Friday evening last, when Miss Marjorie Rawlik received her recently won scholarship cheque from the HSA.

Although every one in the audience knew, the fact that the presentation was to be made, had been kept secret from Marjorie three solos and Owen Griffiths, a promising young pianist, also of Wainwright, gave three enjoyable piano solos.

Mr. R. Lawson Allan, of Chauvin, vice-president, North Central Region of HSA, then stepped forward and added his share of anecdotes to the program to the delight of all present, then changing to a serious view, explained the origin and the purpose of the Dr. Kirby Memorial Fund. Calling on Marjorie to come forward, and amid the flashing of bulbs, he presented her with a cheque for \$50, congratulating her upon her Grade IX standing and wishing her every success in her future studies.

After adding his congratulations to Marjorie and her parents, Mr. Flager called upon Mr. Rusty M. M. to say a few words which were not to be outdone, added one more amateur tale to those already told. In a few well chosen words, he told Marjorie how all would be watching with keen interest her progress in high school and wishing her well.

Launch was then served, followed by a card party in aid of Christmas tree funds, bringing an enjoyable and memorable evening to a close.

Glen-Coa Gleanings

Those who took part in the Circuit meeting at Kingman Lutheran church last weekend were Mr. M. Reitan, Mr. and Mrs. O. Liknes, Mr. and Mrs. Ralph Erickson and Mrs. Nilson.

Guest speaker next Sunday evening, Dec. 2, at Sharon will be Miss Lorraine Johannsen of Edmonton, Canada District PTM secretary.

Mrs. P. Spring and O. Liknes accompanied Mr. Carl Anquetil to Camrose on Wednesday to attend a John Deere demonstration.

We are most fortunate to have such balmy weather. We can scarcely realize that December is soon upon us. Everyone has gathered up the stray ends of harvest, a bit of threshing here, or a little combining there.

WITH THE District Agriculturist

By J. S. Duncan

Poultry Problems

Poultry Lice and Mites can reduce egg production greatly at this time of year. Spraying the inside of the chicken house nests, roosts and litter with either Malathion or DDT will help greatly to control the insects. For head lice on chickens the best control is to apply sodium fluoride dust to the head and neck of the birds.

One of the reasons for sickness and low production is lack of ventilation. Chickens need dry conditions more than they need heat so be sure that there is enough ventilation to keep the litter dry.

Livestock Improvement

The Alberta Department of Agriculture have assistance policies to help improve the cattle, swine and sheep in the province. These policies are available to stockmen who are not raising registered stock. On cattle and swine, part of the cost of the animal is paid by the department as well as the shipping charges. On sheep the shipping charges are paid. This assistance applies to Bulls, Boars or Rams bought by the Department for farmers. Anyone interested contact this office for full information.

Seed Cleaning

It seems a little early to think of this but now is a good time to get it done. Those who are within hauling distance of a seed cleaning plant can get their seed cleaned more easily now than later and can get it treated at the same time if they want. (Don't put any chemicals for wireworms in the grain at this time, it should be put on just before sowing.)

Everyone should check their grain for Tartery Buckwheat as this weed is getting very widespread and should be avoided at all costs. Those farmers who cannot get to a cleaning plant can do a good job of cleaning at home if they take the time. This is another good reason for doing the cleaning early, so as to have plenty of time to do a good job.

Feeding Cattle

It is not necessary to have a warm place to feed but it does help to have a stall to stop most of the wind and enough shelter to keep snow off when it storms. Whether the animals are being fed salted or hand fed they will do better if they have access to water at all times. If this cannot be done they should be watered twice a day and the water should be warmed if possible. A certain amount of exercise is good for fattening stock so try to give them enough room to move around freely.

EASTERLY ECHOES

The sympathy of the district is extended to Mrs. Bob Millot on the accidental death of her father on Friday of last week.

Mrs. Eldon Fenton is attending the Social Credit convention in Edmonton this week.

Mr. and Mrs. Jack Taylor are visiting in Edmonton this week while their three children are enjoying a stay with their grandparents, Mr. and Mrs. P. Funk.

HELLO HOMEMAKERS:

This week is the Sandwich Special. You of the lunchbox brigade will find that the youngsters are not as enthused over those sandwiches as they were two months ago.

Something Hot

Days are pretty chilly and will be for a few months. There's nothing like a hot drink or dish for lunch to ward off winter's chill. If you don't have a thermos, for your child's sake invest in one. That is, if the school doesn't have a hot lunch program. Cocoa is an old standby for lunch boxes but don't be in a rut. Soup is a wonderful noon hour pickup. Don't just stick to cream soups and broths. Use those soups, also, which have vegetable chunks, rice or barley in them. Put in a few soda crackers also.

Pup On a Leash

Here's a trick the children will enjoy. Tie a weiner on a string, put the weiner in the soup with the string-hanging over the top of the thermos. By noon the weiner will be hot. Pull the string and out comes the weiner - ready to pop into a bun. Soup and hot dogs for lunch.

Tip For The Week

To restrain your nylon net petticoats, here's a trick. Wash and iron your petticoat using water which is completely dry. Start your treatment. Spread petticoat flat on a table rub undiluted liquid starch into it with your hands, covering every portion of the garment. It doesn't take a lot of starch.

Pin petticoat to two parallel clotheslines which are about 12 inches apart. Pin on the straight of the material and make certain the folds of the fabric are separated.

FAREWELL FOR P. INKIN FAMILY

A farewell party was held last week at Passchendaele school for Mr. and Mrs. Philip Inklin and family who are leaving this district to make a new home at Vancouver.

A social evening was spent with cards and dancing. After a delicious lunch had been enjoyed, Mr. Seth Oldham on behalf of the friends and neighbors presented Mr. and Mrs. Inklin with a purse of money. The guests of honor warmly thanked those present and then all joined hands and sang "For They Are Jolly Good Fellows." The Irma friends all wish the Philip Inklin family every success for the future.

Welcome Home" For Lillian Mikkelson

On Friday evening, December 7, at 8 o'clock in the Irma Allance church, there will be a special Welcome Home for Lillian Mikkelson, missionary on furlough from the Netherlands, West Indies. She is the daughter of Mrs. L. Mikkelson and left Irma about four years ago for missionary service. Now that she is returning after her first term, her many friends will want to renew their friendship with her. She is Irma's first missionary and her hometown will want to give her a hearty welcome. A very cordial invitation is extended to the public to attend this gathering.

Wedding Bells**PARSONS — KIRKMAN**

A pretty, late fall wedding took place in Irma United church on November 16 at 7 p.m. when Mary Elizabeth (Betty) Kirkman, daughter of Mrs. McLean and the late Mr. J. C. McLean was united in marriage with Mr. Wesley H. Parsons, eldest son of the late Mr. and Mrs. George Parsons of Irma and Vancouver.

Rev. H. W. Inglis performed the ceremony before the altar on which were pink and white mums and pink carnations.

The bride, who was given in marriage by Mr. F. B. Kirkman of Lethbridge, was lovely in a periwinkle blue taffeta afternoon dress and pink sequin trimmed pillbox hat. She carried a bouquet of white mums and yellow roses and her only jewellery was a black diamond necklace and earrings, a gift of the groom.

Attending the bride as matron of honor was her sister, Mrs. Cliff Saville of Hardisty, who wore a navy sheer dress, white toque trimmed with simulated pearls and carried a nosegay bouquet of pink and white mums and pink carnations. Miss Betty Rae Locke, daughter of the bride was bridesmaid. Her dress was of pink and grey embossed taffeta and in her hair was a matching bandeau. She carried a nosegay bouquet of pink and white mums and pink roses.

Groomsmen were Mr. Edward Parsons of Vancouver, brother of the groom, and Mr. Ross McFarland Jr. Ushering the guests in pews marked with white satin bows were Mr. Francis Saville and Mr. Albert Firkus.

During the signing of the register, Mr. Cliff Saville sang A Wedding Prayer accompanied at the piano by his daughter Miss Lorna Saville, who also played the wedding music.

Following the ceremony a reception for 82 guests was held in the Legion Hall at which time the bride's mother, Mr. Kirkman, and Mr. and Mrs. Stanton Coulman, uncle and aunt of the groom, received the guests. Mrs. McLean wore a black crepe dress, fur stole, off-shade red hat, and a corsage of red roses. Mrs. Coulman chose a dress of navy crepe, pink hat and her corsage was of pink roses.

The bride's table was covered with a white linen cloth, centred by a tiered wedding cake flanked by white taper and vases of colored mums.

Mr. Ross McFarland was M.C. Mr. Charles McCleary of Camrose proposed the toast to the bride to which the groom ably responded. Mr. Gordon Hollingsen, sang "O Promise Me" and "Bless This House" accompanied at the piano by Mrs. S. Coulman. Mr. Inglis spoke briefly to those present also. Following this the guests danced till midnight.

For travelling to the west coast the bride changed to a rust tweed suit and full length muskrat coat. Her hat was draped copper satin and accessories to match. The happy couple will make their home on a farm in the Orbindale district north-east of Irma.

A number of out of town guests were in attendance.

CARTER - MILLER

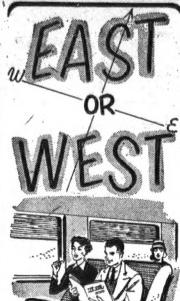

A traditional gown of white bridal satin was chosen by Miss Darlene Florence Miller for her wedding in Rundle United church to Mr. Colin John Carter. The fine bodice of the gown was designed with portrait neckline and lily point sleeves, while the full skirt was dropped in soft folds to the floor. A corsage of seed pearls held her finger tip veil and she carried a bouquet of red roses.

Rev. Mr. Johnson officiated as the daughter of Mr. and Mrs. Ewart Miller of Edmonton exchanged rings with the son of Mr. and Mrs. E. W. Carter of Wainwright before the altar, arranged with bouquets of mums.

Blue lace over taffeta fashioned identical waltz length frocks worn by the bride's attendants, Miss Gladys Miller, Miss Joan Detwiller and Mrs. J. Murphy. They carried bouquets of pale pink carnations.

Mr. Arnold Enger was his cousin's best man and groomsman were Mr. William Harley and Mr. Harold Miller. Guests were ushered by Mr. Glen Miller and Mr. Valda Fenton. Miss Elsie Bradshaw played the wedding music and soloist was Mr. Peter DeZon.

Did You Know?

...that IRMA received a MUNICIPAL GRANT of \$2,879.88

Municipal grants are made up of 50% of the Revenue accruing from the fuel oil tax of the previous calendar year which works out approximately \$3,000 per municipality. All grants are based on the basis of population and other factors. Recipients include 8 cities, 60 towns, 146 villages, 7 counties, 41 municipal districts, 47 improvement districts, 2 special areas and 4 school districts in National Parks. Total grant for 1956-57 was \$9,990,002.35.

There is no restriction to Municipalities on how grants are to be used. It has been shown, however, that most Municipalities use the amount equivalent to the amount of the annual debenture payment contracted for their local sewage and water system.

Since 1951-52 Municipal Grants have been increased by more than \$3,000,000. to all municipalities. This fiscal year the municipal grant was increased by \$900,000.

Because the Municipal Grant to your own community is available for local needs, it is up to you to decide how best to use it. How this money is being appropriated and spent to the best advantage in your community!

Service at the church on Sun-

Nick Josephson To Coach Gas Kings

(From The Viking News)

At a meeting of the Viking Hockey Club committee held on Monday night in the Legion Hall Nick Josephson was appointed as coach of the Viking Gas Kings for the 1956-57 season.

The question of imports was discussed and it was finally agreed that at least 3 players had to be hired in order to put up any kind of competition in the Eastern Alberta hockey league. A few players had shown interest in playing for the Gas Kings, including Johnny Carp and Ray Bellierre (top point man in the EAHL last season) who both played for the Wainwright Commandos last year, also Elmer Kreller. Johnny Golka, just to mention a few. Bill Haire was appointed as the hockey club representative on the Carena Board. A few ideas were aired on ways and means to raise money for players, etc. Leo Kelly was chairman of the meeting.

The W.A. of St. Mary's will have a Sale of Home Cooking and Farm Produce on Saturday, December 8 in the Irma Food Market. Come and guess the weight of a lovely turkey kindly donated by Mrs. G. Coulterman. If more than one guest gets the correct weight, chickens kindly donated by Mrs. W. Rae and Mrs. Firkus will be given as consolation prizes. We will also have a "Parcel Post Sale" which has been enjoyed by our many friends in previous years.

day, December 2 at 2:30 p.m. S. Bridgeman and H. McGuire are both home after spending some time in hospital. Glad to see them.

Improvements are being made at the local curling rink. A repainting job is being done on the kitchen part and plywood is in progress of being put up on the north wall inside the rink proper.

Mrs. C. V. Larson was an Edmonton visitor this week and spent some time with our old friend Mrs. M. Clelland. Mrs. Ed Sharkey is a patient in Viking hospital.

The dreamlike quality of our weather for the past week just has us all holding our breath. Indian Summer is always welcome and never more so than at the end of November. To add to our bewilderment Mr. Eldon Fenton reported seeing a gopher last Monday, Nov. 26. That same day one of our local machinery agents was seen delivering a new binder. What season is this anyway!

Mrs. H. C. Nissen passed away in Wainwright hospital during Saturday night after a long and trying illness. The most sincere sympathy of all at Irma is extended to Mr. Nissen, Norman and Joan. Funeral services were held from Irma United church on Wednesday of this week. Full obituary in the next issue.

Our new utility man, Mr. Dan Swain from Mannville, is busy digging up manholes, etc., and getting the water and sewer in proper trim before the cold weather sets in.
